Vision, Mission and Objectives of CoNGO

VISION

- CONGO's vision is to be the primary support and platform for a civil society represented by a global community of informed, empowered and committed NGOs that fully participate with the UN in decision-making and programs leading to a better world, a world of economic and social justice.

MISSION

- Facilitate through various means the development of a dynamic and informed world-wide NGO community able to influence policies and actions at all levels of the United Nations.

OBJECTIVES

- A. Improve NGOs accessibility and presence at all levels of the United Nations
- B. Enhance the effective engagement of NGOs with the United Nations
- C. Strengthen the dialogue between the United Nations and Non-governmental organizations
- D. Engage NGOs to work together on issues of common interest
- E. Education / Capacity Development
- F. Work in partnership with UN civil society focal points
- G. Advocate on the Principles and Goals that NGOs and United Nations share

Facts

- CoNGO consists of full and ass. Members
- Full members are NGO who have a consultative status within the UN.
- CoNGO work through their Committees
- To set up a Committee you need the support of at least 20 full members of CoNGO
- Committee for Rare Disease was put forward by Agrenska Foundation(who are a full member of CoNGO, and have special consultative status within ECOSOC and the UN) and approved by 37 full members last year at the AGM for CoNGO.
- The CfRD can be operated by an consortium of NGO and other organizations, as well as companies. But only full member have a vote at CoNGO.
